## A rewarding experience

Named after the British warrior Queen, *Boudicca* has built up a loyal following of guests who appreciate a sense of class and timeless elegance not seen or experienced on modern 'megaships'. Onboard, in keeping with the Fred. Olsen fleet, the emphasis is on providing an intimate and more traditional cruise experience, ensuring guests disembark after their relaxing and rewarding holiday as friends, not just customers.

Up to 880 guests can cruise onboard *Boudicca*, which, thanks to an extensive refurbishment of the ship's suites, bedrooms, restaurants, lounges and facilities, will continue to show you the world in comfort and style for many years to come. As you explore the globe you can indulge yourself with delicious dinners in the Four Seasons, Tintagel or the Heligan Room restaurants; take a dip in one of the three heated pools; watch a show in the Neptune Lounge; simply relax on the Sun Deck; enjoy al fresco dining at The Grill; and much more, without ever feeling overcrowded. Cruising alongside hundreds, not thousands of like-minded travellers also ensures that staff onboard *Boudicca* can provide Fred. Olsen's renowned personal, attentive service, catering to your every want and need.
